About me

I'm an sophomore studying at National School of Development, Peking University. I regard myself as persistent and enthusiastic in academy and enjoys research work in economics and statistics. I plan to apply to UC Berkeley's Econ PhD and Harvard's Data Science MA program.

Skills

1. I am familiar with many softwares and programming languages, like python, R, Stata and Matlab. Therefore I can manage tasks like data collecting and compiling, data analyzing, presenting my work with elegant PPTs and so forth.
2. I'm prepared with fundamental economical theory and mathematical approaches. Meanwhile my RA experience render me familiar with datas with different structures and the approaches to deal with them with Stata and Python.

Education

since 2018	Bachelor candidate in Economics <i>This major focuses on national development while the students still enjoys a wide range of curricula choices.</i>	NSD of PKU
2017-2018	Bachelor candidate in Economics <i>Majoring in Economics</i>	School of Economics, PKU
2014-2017	Senior high school graduate <i>Admitted to PKU with the first prize in 31th and 32th National High School Student Math Competition.</i>	Shaoxing NO.1 High School

Personal Pxprience

Stu. Service	Moniter and league branch secretary of Class of 2017, NSD. Vice minister of the Dept. of Academy of NSD's SU. <i>As monitor, I organized one class trip each term and led the rehearsals for new year's party, etc. As minister I founded monthly reading parties offering access to free books and thoughtful idea exchange.</i>
Social Practice	Investigation of poverty reliving progress in Inner Mongolia <i>I was the photographer and report presenter of the team.</i>
Club Activity	Member of the Performing Dept. of the Piano Club <i>I played Libre Tango for Piano Duet with my friend.</i>
Other	I won the 4th in Chinning and the 6th in Men's 5000m in PKU's Sports Meeting of 2018.

My Grade

GPA	GPA: 3.86. Credits: 82.
ELS Scores	TOFEL: 103, GRE: V157, Q170, AW3.5

scholarship & Awards

2018	Leo KoGuan Scholarship: for top 10
2018	University-level Merit Student
2018	Fashu Foundation Scholarship: for top 10
2018	The third prize for excellent team: for graduates' summer social project <i>I joined the team of philosophy department and investigated my home-town's rural administration improvement.</i>

RA Experience

2018	Prof. Lian Zhou's team <i>I helped professor compile the early years' information of officers presently holding office higher than member of provincial standing committee of CCP</i>	Guanghua School of Management
2019	Prof. Victor Couture's team <i>The team's aim is to establish a database for Chinese county-level panel data since the 21th century. I do data cleaning jobs using pandas and productively finish the work of two Provinces.</i>	UCB Hass Business School
2019	Prof. Zhuo Huang <i>I help the professor collect Chinese macro and financial datas and use them to update Chinese macro and financial uncertainty index with statistical approaches.</i>	NSD PKU
